New Enterprise For Roanoke.

Negotiations which have been pending for some time towards organizing a company to handle office stationery, supplies, etc., have now been completed. Their headquarters will be in Roanoke. In a conversation with one of the interested parties we gather that their principal business will be with banks, railroads and office men generally, carrying a line of goods especially suited to their demands. The charter will be applied for at once and as soon as presented the business will be pushed with ample capital at their command. The venture will no doubt be a success. It will be called the Stationers' Supply Company, with a capital of \$25,000.

MANAGER HOOPER'S BENEFIT.

The Largest Audience of the Season Will Grace the Occasion.

FOR Manager Hooper's benefit next Monday night March 2, the musical farce comedy, "Our Flat," will be the biggest and best of its kind ever produced in this city.

If reliance is to be placed on reports that come from New York and other places regarding the brightness and attractiveness of Emily Bancker and her splendid company of comedians, the Roanoke public will witness a rare treat in the comedy line.

The play stood 780 consecutive nights at the Strand Theatre, London, England, and had one of the longest runs ever known on the boards of New York.

The story is about two young people who fall in love and marry each other without the consent of the girl's father, who of course, refuses his blessing, likewise his pocket-book; nevertheless they commence housekeeping in very good style on the top floor of a flat house, but get into horrible debts in trying to keep up appearances. The husband, a writer of tragedies, finds it impossible to get a play accepted, when the young wife attempts something in the play-writing line herself, but very wisely sticks to comedy. She writes a play which is accepted and produced at a leading theater by a most successful manager. The manager is expected to call at the flat in regard to the play, when the furniture people, who have not received their payments, suddenly appear and remove everything. Not being daunted, the wife improvises some very handsome furniture out of empty boxes and kitchen utensils with the aid of a few remaining draperies and curtains, and has her home the picture of prosperity when the great man is announced. The situations are grotesque and amusing to the last degree. It is a great race of fun from beginning to end.

The company which appears in the play is admitted by all to be one of the strongest comedy organizations ever formed in the country. There is not an individual in the cast who has not been warmly praised by metropolitan critics, and most of them have made distinguished success, notably the jolly comedienne, Emily Bancker, who is quite a favorite in this city, having appeared here before as the bright star of the original "Gloriana" company. She is not alone one of the most beautiful women on the stage, but an artist that has a charming personality and acts with finished grace. Well known in the east are Will Mandeville, Philip H. Ryley, George W. Parsons, D. H. James, and others of distinguished merit. The pretty scenery, elegant costumes, catchy musical specialties, all combine to make "Our Flat" the superior of which it would be difficult to imagine. Seats are now on sale at Johnson & Johnson's with prospects of a large sale.

JAS. G. PERKINSON, on religion, said to the old and young, do not drink liquors that intoxicate, but do good to your system, and "Blood Wine" is the thing you want to build up your strength and make you feel as you did years ago. Remember, it is Blood Wine that cures you of all diseases of the blood, liver and kidneys. Large bottle, 50c. Come to our store for it. VAN LEAR BROS., successors to Christian-Barbee Drug Company.

Ramon's Nerve and Bone Oil cures Rheumatism, Cuts, Sores, Burns and Bruises, for 25c.

JULY 4, 1896, falls on Saturday, and in order to enjoy the grand and glorious Fourth you have to be in perfect health, and there is just one way to be in good health, and that is by taking only "Blood Wine," for it is the only true blood purifier, for it is a positive cure for indigestion, stomach, kidney and liver diseases. It is just what you want to make you feel young and strong. Remember, "Blood Wine," for sale at MASSIE'S PHARMACY.

## Nervous Prostration

Complete Recovery by the Use of

## Ayer's Sarsaparilla

"Some years ago, as a result of too close attention to business, my health failed. I became weak, nervous, was unable to look after my interests, and manifested all the symptoms of a decline. I took three bottles of Ayer's Sarsaparilla, began to improve at once,

and gradually increased my weight from one hundred and twenty-five to two hundred pounds. Since then, I and my family have used this medicine when needed, and we are all in the best of health, a fact which we attribute to Ayer's Sarsaparilla. I believe my children would have been fatherless to-day had it not been for Ayer's Sarsaparilla, of which preparation I cannot say too much."—H. O. HINSON, Postmaster and Planter, Kinard's, S. C.
